

Roanoke River Partners, Inc.
is pleased to announce the development of
The Roanoke River Underground Railroad Trail

A rural development initiative embracing the
abundant natural resources & the rich cultural heritage
of the Roanoke River Region

In addition to the development of an *enhanced regional trail map*
which features African American assets related to the Roanoke River's
Underground Railroad history, this initiative will include:
UGRR signage, passports/stamps, and related community events.

The partners engaged in this project are actively seeking new partnerships
to contribute to the overall success of this development.
