

Roanoke River Underground Railroad Trail

Natural Resource, Cultural Heritage & Ecotourism Initiative

Roanoke River Partners announce the development of the Roanoke River Underground Railroad Trail!

The three main goals of this initiative are to:

- (1) Develop and promote a self-guided natural and cultural heritage tour throughout the Roanoke River Region to a diverse audience
- (2) Develop a mobile educational outreach program across the Region
- (3) Cultivate and strengthen community partnerships throughout the five North Carolina counties that border the Roanoke River (Northampton, Halifax, Martin, Bertie & Washington)

Do you reside within the Roanoke River Region? Are you visiting? Do you plan to paddle or camp on the existing Roanoke River Paddle Trail? Be on the lookout for the developing Roanoke River Underground Railroad Trail:

- **RR UGRR Trail Signs** at NCWRC boat ramps on the lower Roanoke River
- **Network to Freedom Passport Stamps** at partnering town offices/businesses
- **Educational Displays & Community Events** throughout the region
